BALANCE

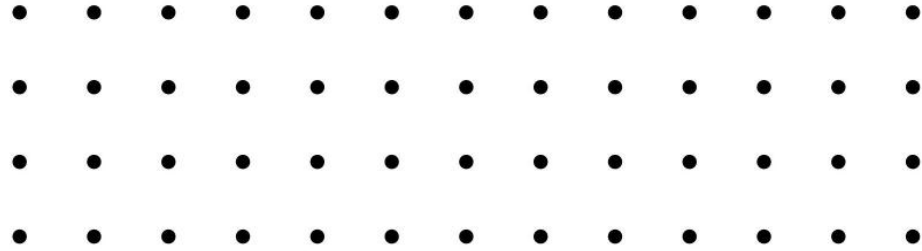

WHO ARE WE?

We are a non-profit organization that helps the **disabled people, the elderly, mothers with small children, WHO REMAINED IN THE CITY OF KHARKIV** despite the constant threat of shelling and bombing.

FROM THE BEGINNING OF THE FULL-SCALE INVASION OF THE RUSSIAN FEDERATION INTO UKRAINE

453
children
DIED

877
children
WERE INJURED

353
children
DISAPPEARED

13876
children
WERE DEPORTED

LONG-TERM EFFECTS OF THE WAR CARRY WITH THEM FOR CHILDREN AND TEENAGERS:

- anxiety disorder;
- post-traumatic stress disorder (PTSD);
- depression;
- dissociative disorders (voluntary social isolation, depersonalization, derealization, reluctance to talk, catatonic syndrome);
- behavioral disorders (in particular, aggression, antisocial and criminal behavior, tendency to violence);
- they are more prone to alcohol and drug abuse

Despite the inhumane conditions, children have huge potential for resilience

IT IS NECESSARY

to start the processes aimed at restoring the psychological health and psychological support of children as quickly as possible.

**That is why we launched
THE "BALANCE" PROJECT**

WHAT IS IT?

The "Balance" project – is the creation of a psychological rehabilitation room for children affected by hostilities in Ukraine

HOW WILL IT BE?

The room will be equipped with modern equipment specially aimed at the psychological rehabilitation of children

FOR WHOM?

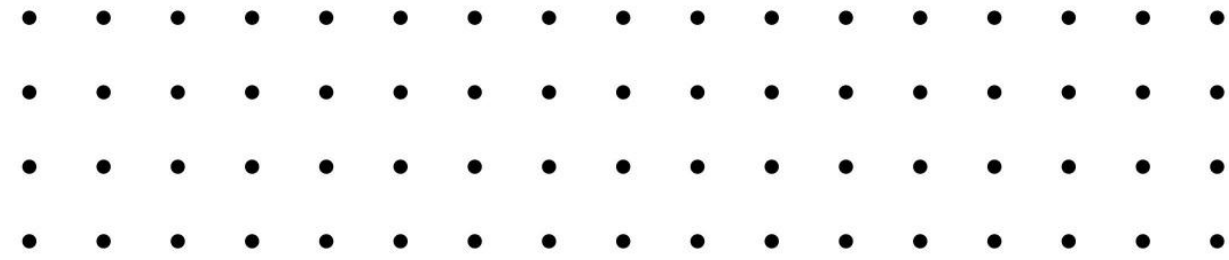

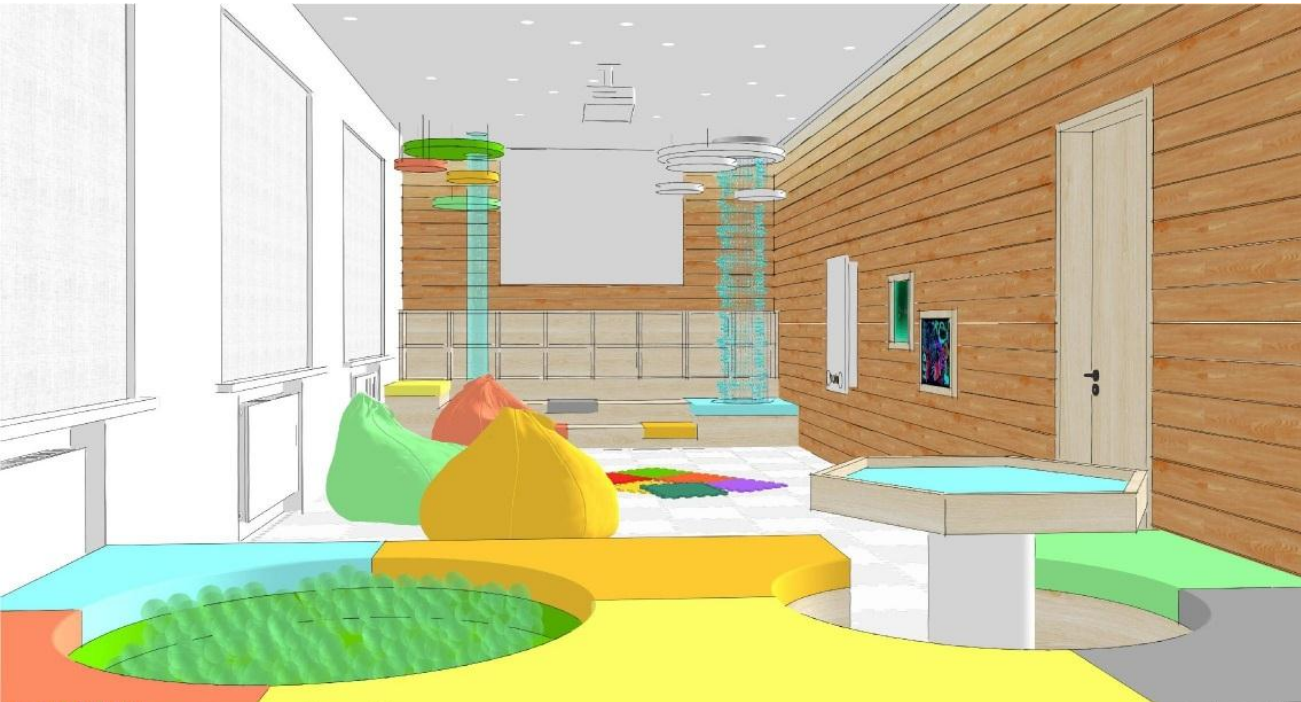

Free psychological sessions for children aged 3 to 18 years

WHERE WILL IT BE?

The first psychological rehabilitation room has already been opened in Kharkiv on the basis of the city's children's clinical hospital No. 24

WE ARE LOOKING FOR HELP

IN CREATING THE "BALANCE" PROJECT

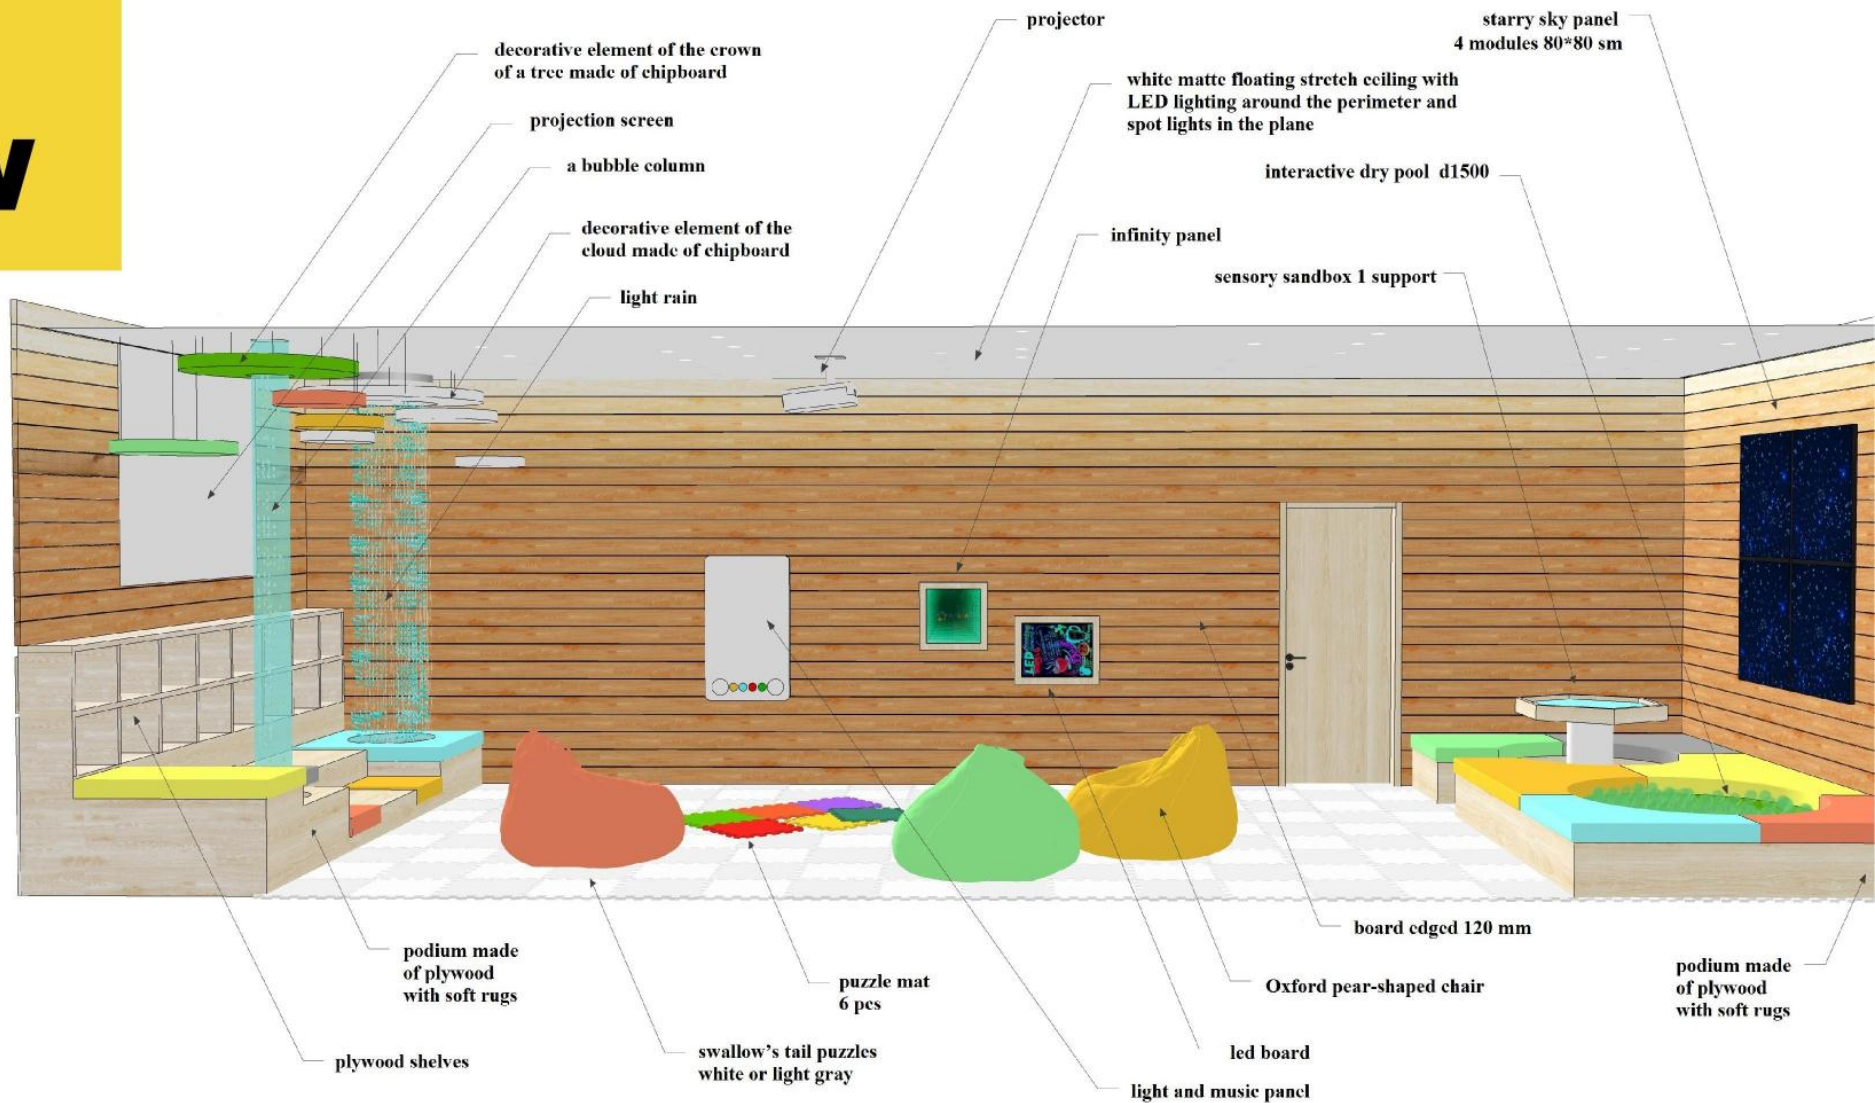

WE HAVE ALREADY OPENED THE FIRST PSYCHOLOGICAL REHABILITATION ROOM

There are many requests in Kharkiv and beyond: a large number of children need help, therefore, the foundation plans to create a network of rooms for children's psychological rehabilitation throughout Ukraine

3D OVERVIEW

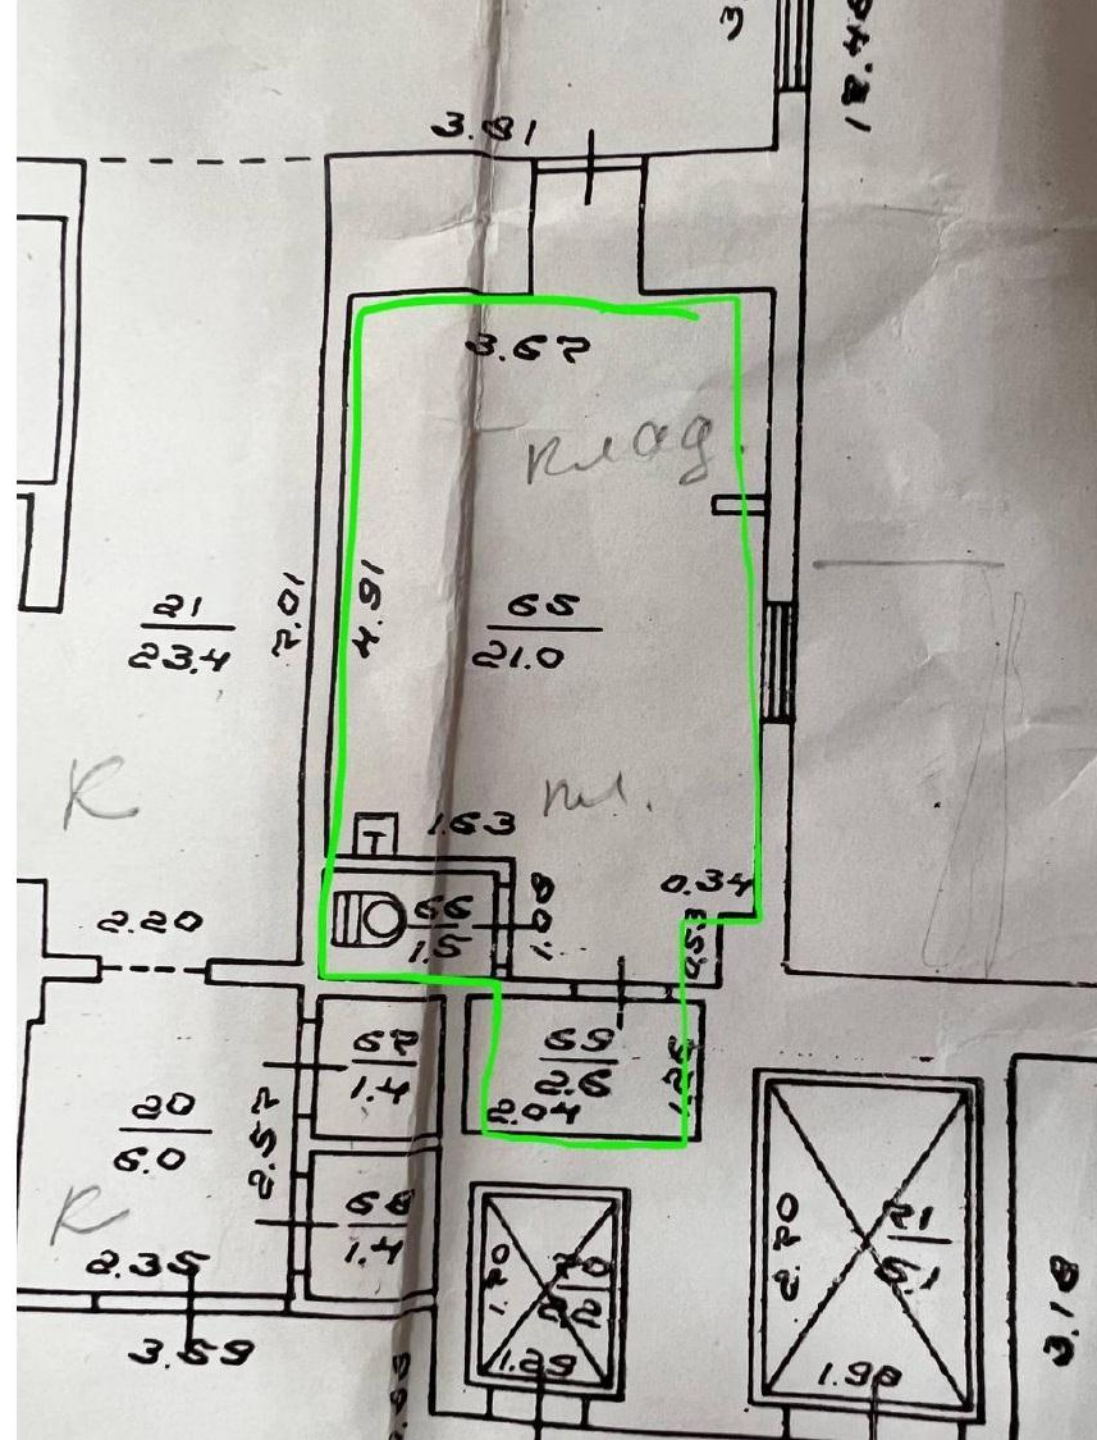

WHERE WILL IT BE?

MUNICIPAL NON-COMMERCIAL ENTERPRISE

"City Children's Polyclinic No. 23"
of the Kharkiv City Council

St. Shevchenko, 133

Estimated cost of a new room: UAH 1,500,000.

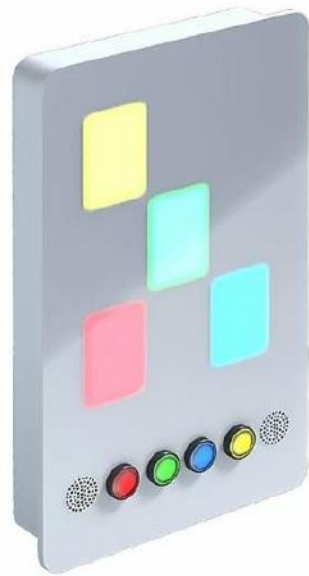

Stages of work on the new room:

1. Development of the room project. The work of the architect Vitaly Perepelitsyn 1500 UAH/sq.m. (room area 25.1 sq.m.);
2. Transfer of the project for calculation of the cost of repair works (construction company "Stroy Standart" LLC), creation of a defective act;
3. Room repair process. The cost of repairing the previous room was UAH 595,000;
4. Purchase of special equipment for the operation of the room. The cost is UAH 412,000.

Name of the item of expenditure	quantity	Unit measurement	Price per unit, UAH	Total amount, UAH
